

## FORA G20

### **Step 1**

Press the top of the battery cover to remove it.

### **Step 2**

Hold the cover in your hand with the hook facing forward. Follow the triangle sign at the battery socket; slide the hook gently forward to remove the battery.

### **Step 3**

Replace a new lithium battery and close the battery cover. If the battery has been inserted correctly, you will hear a "beep" sound afterwards.
